There's no denying, it's been a tough start to the season here with the ongoing wet weather. In light of this, Potato Partners has developed a number of quick 'how to' videos covering the basics of potato crop establishment, including:

- High yielding weed free crops
- Protecting the crop from foliar disease
- Sowing the good seed
- Tackling couch grass with confidence

It's as important as ever that we get potato establishment right and we give our crops the best chance to deliver this season. You can check out the new videos on this page.
