

A revolutionary go-to expert in broadleaf weed control has arrived

Broadacre
11.07.2017

Jason Sabeeney, Solutions Development Manager at Syngenta, discusses the new post-emergent cereal selective herbicide from Syngenta, TALINOR®, in his latest video below.

He runs through its key benefits and what target weeds it helps to control, specifically in South Australia.

Video of Go-to expert in broadleaf weed control in SA (TALINOR Digital Technote)
